Creating a Safer World

*Infectious and Chemotherapeutic Waste Transporter
Hazardous Waste Transporter*

Kairos Health Systems, Inc. is pleased to announce its partnership with
**** Bio-Team Mobile LLC****

Bio-Team Mobile LLC is licensed in Pennsylvania and Maryland to provide an economical and customer focused service for the transportation of infectious (red bag) and chemotherapeutic waste from the facility to the disposal site in accordance with regulatory requirements.

In addition to exceptional service in the removal of your red bag and sharps waste boxes, Bio-Team Mobile also provides training on proper packaging of infectious and chemotherapeutic waste. They have additional training programs available on OSHA Compliance Awareness in blood-borne pathogens, personal protective equipment (PPE), sharps, hazardous communication, exposure control plan and DOT hazardous material packaging.

The benefits of working with Bio-Team Mobile:

- **Savings** – Bio-Team Mobile will usually do better than anyone else’s price and with your Kairos discount you can insure additional savings. In addition, there is an extra 5% if paying by check or credit card at the time of pickup or 3% savings if the invoice is paid within 20 days.
- **Risk Free** – There are no annual fees and you can cancel at any time. There are no contract terms, limits, or roll over clauses.
- **Simple Billing** – Your invoice will show the per box price listed on your signed “Memo of Understanding”. There will be no additional fees such as fuel charges or transportation fees.
- **Reliable Service** – The Bio-Team Mobile drivers are customer focused, friendly and always in uniform. You can expect to receive a confirmation call the day before your scheduled pick up day.
